Chairperson's Foreword

I am delighted to welcome you to Digital Regenesys at Regenesys Business School. The purpose of Regenesys is to help individuals awaken their potential and achieve their dreams.

New technologies, social media, and innovation have sparked a digital revolution that is rapidly changing the world. The digital revolution demands a new breed of professionals to succeed in the new digital world. To give you a competitive advantage, we have developed cutting-edge digital programmes in the areas of information technology and management. Our programmes are facilitated by leading experts, entrepreneurs, and academics from top local and international institutions.

Regenesys is a global business school with campuses in Johannesburg, Mumbai, and Lagos, delivering cutting-edge online and contact learning management programmes. Over the past 24 years, Regenesys has educated 200,000 students from 195 countries, and delivered corporate education programmes to 1000 reputable local and multinational companies. The majority of them are large multinationals such as Mercedes-Benz, Microsoft, Coca-Cola, Barclays, and Samsung, to name a few.

Regenesys alumni occupy top leadership positions in multinational corporations and government institutions all over the world, and form a very influential alumni network that supports its members with business opportunities across the world.

Get inspired, energised, and transform your career with programmes grounded in the realities of the new digital world.

I wish you success on your journey towards greatness.
