

NATIONAL CERTIFICATE: GENERIC MANAGEMENT

NQF LEVEL 5 | CREDITS: 166 | SAQA ID: 59201

PROGRAMME OVERVIEW

This qualification will train learners to be able to manage first line managers in an organisational entity. First line managers may include team leaders, supervisors, junior managers, section heads and foremen. The focus of this qualification is to enable learners to develop competence in a range of knowledge, skills, attitudes, and values. This includes initiating, developing, implementing and evaluating operational strategies, projects and action plans, monitoring and measuring performance and building relationships using communication processes both vertically and horizontally. It also includes applying the principles of risk, financial and knowledge management and business ethics and enhancing the development of teams and team members.

DURATION AND MODE OF DELIVERY

- The programme is offered over a period of 12 months
- Online, blended or face-to-face
- All options include self-study, assignment writing as well as examinations and group presentations and assessments

ENTRY REQUIREMENTS

- Mathematical Literacy at NQF Level 4
- Communication at NQF Level 4

ACCREDITATION

- National Certificate in Generic Management, NQF Level 5, Credits 166
- Accredited with SSETA – Services Sector Education and Training Authority

EXIT LEVEL OUTCOMES

- Initiate, develop, implement, and evaluate operational strategies, projects, and action plans so as to improve effectiveness of the unit
- Monitor and measure performance and apply continuous or innovative improvement interventions in the unit
- Lead and manage a team of first line managers to enhance individual, team, and unit effectiveness
- Build relationships with superiors and with stakeholders across the value chain
- Apply the principles of risk, financial and knowledge management, and business ethics within internal and external regulatory frameworks
- Enhance the development of teams and team members
